The Board has three (3) series of fourth state building bonds outstanding. Funds must be transferred from the general revenue fund into the debt service funds one year in advance of the required debt service payment date. This decision item of \$663,250 represents the increase needed to continue to make the required transfer.

**7a. Provide an effectiveness measure.**

Prompt payment of principal and interest results in adherence to constitutional requirements and to the bond resolutions. This promotes sound financial management and helps to maintain the State's AAA bond rating. Generally, AAA rated bonds bear the lowest interest rates thereby lowering the overall interest cost incurred by the State.

Compliance to the Missouri Constitution: All transfers from general revenue or other funds to the debt service funds are made one year in advance of required debt service payments in accordance with Article III, Section 37 of the Missouri Constitution.
